

ICC Orange Empire Basin Chapter

Presents

2010 Americans with Disabilities Act (ADA)

Spend a day with Dan Kaiser, a DSA Certified Access Specialist with many years of training experience. Dan is currently serving an appointed position with the California Building Standards Commission (CBSC) as a member of the Accessibility Code Advisory Committee. Dan is currently a Commissioner on the California Building Officials Training Institute (CTI). Dan will discuss the new updated 2010 ADA Title II & Title III Regulations and new Standards, which will become mandatory for use March 15, 2012. Dan will highlight the notable changes in the ADA and how they affect us. This training seminar will be beneficial to Building Officials, Plan Checkers, Designers, Architects, and Building Inspectors.

This course will meet the mandatory accessibility training requirements for Building Department personnel, Licensed Architects, and Certified Access Specialists.
